

2019-2020 Boys/Girls In-House VAA Basketball Game Rules

The following rules apply to SCVAA in-house boys basketball league for 3rd – 6th grade and SCVAA in-house girls for 3rd – 4th grade. Rules not specific to a particular grade apply at all grade levels. Except where modified below, National Federation of State High School Associations game rules shall govern play. (5th/6th grade girls will utilize the Maplewood Recreational League rules)

Good sportsmanship should be your guide at all times, not winning!

Players:

- Players may play only for their assigned team.
- Games will be played five-on-five. Both teams must have five players to begin the game.

Home & Visiting Team Duties:

- The home team is the 2nd team listed on the schedule.
- There will be a time clock official provided.
- Both the home and the visiting team should be keeping score and verifying with each other at the end of each quarter. They will need to work with the officials to resolve any discrepancies.
- If there is not an official scorekeeper, then the home team will provide someone to keep the official scorebook and the visiting team should provide one person to operate the game clock and scoreboard. Both people will be sitting at the scorers table.

Game Length:

- Game will consist of eight, 5-minute running time periods.

Grace Period:

- A 5-minute grace period from the schedule start time shall be allowed before a forfeit is declared.
- If a team does not have five legal players on the floor at the end of the grace period, they will forfeit the game
- An informal scrimmage should be held if a game is forfeited.

Quarter Break:

- 1 minute intermission after the 2nd and 6th periods.
- Breaks between periods are considered substitution breaks, so please quickly sub in your players. (30 Seconds)

Half-Time Intermission:

- 3 minutes in length, unless the officials decide to cut it even shorter in order to get back on schedule.

Running Time:

- The clock will run continuously except during the last two minutes of the eighth period.
- The clock will stop during time-outs called by either the coach or the officials.

- The clock may be stopped momentarily to align players for free throws. However, the clock will be restarted as soon as players are in proper position.

Time Outs:

- Each team is awarded two, 1-minute time-outs per game.
- Unused time outs will carry over to the second half and any subsequent overtime periods.
- One additional time-out will be awarded for the first overtime period only.

Overtime Period(s):

- The first overtime shall be a 2-minute period where the clock is stopped on a dead ball.
- The second overtime period (if necessary) shall be a sudden win scenario with the team scoring the 1st basket becoming the winner.
- The clock will not be run during a second (sudden win) overtime period.
- Time outs not used during regulation time will be carried over to overtime periods.
- Note: In a tournament championship game only, each overtime period will be 2 minutes long with the clock stopping on a dead ball. There will be no sudden win during a tournament championship game.

Playing Time:

- Coaches will ensure that every eligible player who participates in at least one of the two scheduled practices the week of a game, is able to play according to the playing time rules indicated below for each game that week (including tournament games).
- A coach may exempt a player from the Playing Time Rules for injury or disciplinary reasons. This must be reported to the officials and the opposing coach prior to the start of the game.
- The “In-House Playing Time Plan” must be completed prior to each game. The Playing Time Rules at the bottom of the In-House Playing Time Plan determine the playing time of each player and are based on the number of players available to compete in each game.
- **3rd Grade and above: **The “In-House Playing Time Plan” must be provided to the opposing coach and also the scorekeeper.**
- Barring any injuries or disciplinary problems, the In-House Playing Time Rules must be followed for each game, including all tournament games, so that each player receives the maximum amount of playing time as dictated by the Playing Time Rules.
- The head coach will decide which players play in each period and their positions as long as the maximum number of periods is not exceeded.
- The **In-House Playing Time Rules** are as follows:
 - 5 players: 5 play 8 periods each and each OT.
 - 6 players: 4 play 7 periods (two of these play 1 OT and 2 play both OTs) and 2 play 6 periods and both OTs.
 - 7 players: 5 play 6 periods (4 players play 1 OT and 1 plays both OTs) and 2 play 5 periods and both OTs.
 - 8 players: 8 play 5 periods each (six play 1 OT while 2 play both OTs).
 - 9 players: 5 play 4 periods and both OTs and 4 play 5 periods and no OTs.
 - 10 players: 10 play 4 periods each and 1 OT each.
 - 11 players: 7 play 4 periods (2 of these play in 1 OT) and 4 play 3 periods and both OTs.
 - 12 players: 8 play 3 periods (6 play in 1 OT and 2 play in both OTs) and 4 play 4 periods and no OTs.

Once a player is on the court, the coach may not substitute during that period, with the following exceptions:

- Injury or illness
- Blood rule
- Player picks up their third foul in the first four periods or their fourth foul prior to the 8th period.

During these special situations, a coach must substitute a player of “comparable ability” who is sitting on the bench. The playing time of the substitute will not be recorded against their normal rotation. A player removed for injury or because of the blood rule should return as soon as they are able. Coaches may not modify their normal playing rotation to “make up” for the removed player’s “lost time.” No other substitutions are allowed.

Substitutions:

- When players must be replaced during a period due to injury, illness, blood or foul trouble, substitute players must report to the scorer’s table and be waved in by the official.
- Substitutions will be allowed only during normal stoppages of play when the whistle has been blown. You do not have to use a time-out to substitute players.

Equipment:

- **3rd/4th Grade:** 27.5” junior-sized basketball will be used. Rims will be set at 9-feet in height for the entire season and season-ending tournament.
- **5th/6th Grade:** A 28.5” regulation-sized women’s basketball will be used. Rims will be set at 10-feet in height for the entire season and season-ending tournament.

Officiating Personnel:

- Two officials will be assigned to each game.
- The officials shall have final authority on any scorekeeping disputes.

Free Throws:

- **3rd/4th Grade:** Free throws will be shot from two feet in front of the free throw line. A violation will be called if the player deliberately crosses the line on the attempt in an effort to gain an advantage. (Each coach should keep a roll of tape in their bag and apply a line of tape for the free throw line if necessary.)
- **5th/6th Grade:** Free throws will be shot from the regulation free throw line. A violation will be called if the player crosses the line on the attempt before the ball hits the rim.

Bonus Rule:

- A bonus free throw will be awarded on the team’s 7th team foul in a half.
- Please make sure the scorekeeper tracks the team fouls in addition to individual player fouls.
- A double bonus free throw scenario will be awarded on the team’s 10th foul in a half.
- All fouls will carry over into any overtime period(s).
- Players will foul out of the game after receiving a 5th personal foul.

Three Point Shot:

- **3rd/4th Grade and up:** A three-point shot will be used when the floors are clearly marked with the 3-point arc.

Lane Violations:

- **3rd/4th Grade:** A five second lane violation will be enforced.
- **5th/6th Grade:** A 3-second lane violation will be enforced.

Offensive Restrictions:

- **3rd through 6th Grade:**
- Clear outs to take advantage of the no zone rule are strictly prohibited.
 - 1st Offense: Warning to the coach and players
 - 2nd and subsequent Offenses: Technical foul with the defensive team receiving two points and the ball out-of-bounds.

Defensive Restrictions:

- **Man to Man Defense Required For All Grades**
 - Only player to player defense will be allowed.
 - Defensive players must be within 6-8 feet of their player when that offensive player is within the 3-point arc, or approximately 19'9" if there is no arc painted on the floor.
- **Double/Triple Teaming, Trapping & Stealing**
 - 3rd/4th Grades: No double/triple-teaming or trapping is allowed at any time except inside the free-throw lane (3-second lane or "paint"), and no stealing of the ball is allowed above the free-throw line extended except during the final two minutes of the eight period and any overtime periods.
 - 5th/6th Grades: No double/triple-teaming or trapping above the free throw line extended to each sideline. Stealing is allowed once the ball crosses mid-court.
- **Guarding Throw-Ins and Chasing Loose Balls**
 - In the fourth quarter (periods 7 & 8) and any overtime periods, the defensive team may guard offensive players in the backcourt on throw-ins originating from the frontcourt. Once the ball is controlled in-bounds, the defensive team must drop back to the frontcourt. Players may chase a loose ball into the backcourt at any time
- **Zone Defense**
 - Zone defenses are strictly prohibited. The officials will penalize as follows:
 - 1st offense: Warning to coach and players
 - 2nd and subsequent offense: Team technical foul will be assessed and the offensive team will be award 2 points and the ball at mid-court.
 - A loose or sagging player-to-player defense or defensive players who do not know who they are supposed to be guarding is not to be considered a zone defense.
- **Full-Court Pressing**
 - **3rd/4th Grade:** Full-court press defense is not allowed at any time.
 - Defensive players must drop back to their backcourt whenever a rebound is controlled and cleared from the key by a dribble or pass by the offensive team.
 - The intent is to teach the kids how to clear rebounds out of the lane while at the same time eliminating the swatting or grabbing at the arms of a player controlling the ball in their backcourt outside of the key.

- Please teach your players to fall back to the half court line when the defensive team rebounds the ball and clears the ball out of the key.
- **5th/6th Grade:** Defensive players must drop back to their backcourt whenever a rebound is controlled and cleared from the key by a dribble or pass by the offensive team.
 - Teams may only full-court press in the fourth quarter (periods 7 & 8) and any overtime periods when they are behind by six or more points.
 - Once the deficit is cut to less than 6 points, the team may not full-court press unless there is less than two minutes remaining in the game, regulation or overtime.

Mercy Rule:

- At any point in a game, if one team holds a lead of 30 or more points, the team must remove one player from the court and play 4 on 5. If the lead drops below 20 points, the fifth player may return to the court (Coaches are to rotate the removed player to ensure all players receive equal playing time).

Technical & Intentional Fouls:

- Free throws will not be attempted for technical or intentional fouls. The offended team will automatically receive 2 points and the ball out-of-bounds at the mid-court line.

Unsportsmanlike Conduct:

- Coaches, players and fans are expected to abide by all decisions of the referees in charge.
- Unsportsmanlike play, behavior or language will not be tolerated from players, coaches or fans. Referees are empowered to eject any person that violates the Code of Conduct.
- Complaints regarding coaches, players, fans and officials will be reviewed by the SCVAA Basketball Commission for further disciplinary action.

***The intention of the SCVAA basketball program is to teach the fundamentals of basketball and good sportsmanship to the youth in our programs. There will be no NBA or WNBA scouts attending any of these games. If we keep these ideals in mind we will have a successful program. Good luck this season!**
